steelchallenge@eriecountycl.org
.22 Rimfire Steel Challenge

Welcome Shooters to the 2026 season!

If you have ever wanted to take your rimfire shooting skills and shoot in a organized scored event than this is for you.

This event is designed to be beginner friendly for shooters of all skill levels. If you are new to shooting or a seasoned competitor or somewhere in between, this event is for you as there is plenty of fun to be had by competitors of all ages and skill levels. It's quite common for entire families to shoot matches together.

This is family-friendly shooting discipline, and is open to the public, club membership is encouraged but not required.

How does it work?

Steel Challenge is all about ringing steel as fast as you can!

When it's your turn to complete the course of fire, you step into the shooting box. A range official will issue a series of commands for you to prepare your firearm. Once you're ready, the timer will beep and you'll shoot the steel plates. Five of the plates can be shot in any order you choose. The last plate, known as the "stop plate," must be shot last. This signifies that you have completed your attempt at the course of fire. The post for the stop plate is usually painted red or some other color so that new competitors can remember which plate to shoot last. If in doubt, just ask the range official. After shooting the plates, your time is recorded on an electronic scoring tablet. You repeat this process four times; each run is known as a string. After the final string is completed, your worst time is thrown out and the total time for your three fastest strings is your time for the stage. The competitor with the lowest total time for all stages is the winner for that match,

(it is interesting to note that because you have four strings at the same targets. you are competing against yourself as well.) We record everyone's scores and send the participants the results by email after the match.

What you need to participate

Steel Challenge Rimfire Rifles and Pistols

In Steel Challenge there is no limitation as to what type of rimfire pistol or rifle you can use. If speed is what you're after then a semi-automatic pistol or rifle will be the best option but there is nothing stopping you from using a lever action or even bolt-action rifle. It is imperative that your bring a good working rifle or pistol. It is best you take it to the range before coming to the course of fire to make sure it is in good working order and the magazines function properly. If you have fewer than 4 magazines you can have a helper load your magazines while you are shooting your second string.

We have four divisions the shooter can compete in

Pistol with Iron sights

Pistol with optic

Rifle with Iron sights

Rifle with optic

You will be shooting from the "low ready position" so no holsters will be permitted. Because you will be shooting 4 times during your turn we recommend having four magazines but it is not necessary. At least 80 rounds of .22 ammunition is recommended. All firearms must be in a case and have a ECI empty chamber indicator. As always eye and hearing protection are required.

On the Day of the event

We will meet at the Club's 50 yard range. Beginning at 9:30 participants will sign up for the event and pay their match fees: \$5.00 for members and \$10.00 for guests. Under 18 shoot free. We will have a safety briefing followed by a match overview prior to beginning the match at 10:00am. Depending on attendance, match usually concludes by 12:00

Highpower Rifle 200/300 yard range closed

200/300 yard range

07:45 AM - 01:00 PM EST

Nate Wolshuck,
nwolsh3150@yahoo.com

ECCL Highpower Rifle matches are held at the 200/300 yard range on the FIRST and LAST Saturday of each month from March through October. These are walk-and-paste style matches, no pits. All matches are OPEN TO THE PUBLIC.

Erie County Conservation League Highpower Rifle program is a fun and welcoming group that meets twice a month to continue refining our skills in CMP-style marksmanship. We mutually support each other in developing our marksmanship and would like to see you come out to give our sport a try. ALL Highpower Matches are OPEN TO THE PUBLIC and we encourage ALL shooters to bring out your AR-15, 1903Springfield, 1903A3, M-1 Garand, M-1A or vintage military rifle. All you need to bring is ear and eye protection, your rifle, and 50 rounds of ammunition. We also have extra equipment that we can make available for novice shooters to come out and learn with us.

Schedule:

0745: Gates Open to Competitors

0800: Presentation of Colors

0815: Match check-in

0830: Target set up

0845: Safety Briefing and Gate will close

0900: Relay 1 will begin firing, depending of conditions

1015: Relay 2 will begin firing, depending on conditions

Cost:

ECCL Members: \$5 per relay

Non-Members: \$10 per relay

Active Duty military, law enforcement, and juniors: FREE

Course of Fire for this event will be:

3 minute preparation period and 5 minute sighting in period will be run as a block time of 8 minutes.

10 Slow Offhand shots in 10 minutes at 200 yards on the SR target.

10 Rapid Sitting shots, with a magazine change, in 60 seconds at 200 yards on the SR target.

10 Rapid Prone shots, with a magazine change, in 70 seconds at 200 yards on an SR-42 reduced 300 yard target.

10 Slow Prone shots in 10 minutes at 200 yards on an SR-52 reduced 600 yard target.

April 26, 2026

22L Rimfire Bench Rest Match

09:15 AM - 12:00 PM EST

chuck bergmann,
candhbergmann@gmail.com

2026 Schedule

April 12 - May 3 - June 7 - July 5 - August 2

September 6 - October 4

9:00 Gate opens

9:15 Sign up

9:45 Read Safety Briefing

9:50 Gate Closed

10:00 First Relay Shoots

Open to the Public

The 50 Yard range will be closed to all other activities and shooter during this Match.

Here is an activity for the whole family. Bring your significant other and spend a nice morning shooting on the 50 yard range. The only thing you need is a rifle with a scope or peep sights. This is also a great activity for a father and son or daughter or grandchild. There is no age limit. Just the ability to safely handle a gun, and a knowledge of safety on the range.

Come out on the first Sunday of the month (April through October) and check it out. If you ask one of the RSO's, they will loan you a rifle to try out. It's always a good day when you can spend it at the range with family. Sign up starts at 9:15 and we shoot from 10 AM till about noon. Note that weather does play a factor on the range, so please check the ECCL web site under Activities – .22 Rimfire before coming to make sure that the event has not been canceled due to weather.

Members

First Relay shoot will cost \$5.00 and each relay after that is \$2.00

Non Members

First relay shoot will cost \$10.00 and each relay after that is \$2.00

If you are a member make sure to wear your BADGE

Sign up starts at 9:15 for members and 9:30 for non members. First Relay starts at 10:00

60 shot match course consists of unlimited sighters

10 shots slow fire prone and 10 shots rapid fire prone at 50 yards

10 shots slow sitting/kneeling and 10 shots rapid fire sitting/kneeling at 50 yards

10 shots slow fire standing and 10 shots rapid fire standing at 25 yards

Participants will need their CMP Competitor Number

Participants must complete a CMP "Release of Liability" form at Registration

This match is registered with the CMP and awards pins will be issued to those with qualifying scores

Mandatory Safety briefing begins 10 minutes prior to each relay

There are 15 covered firing points to accommodate competitors

Pre-Register at: aim4xring@yahoo.com

May 9, 2026

New Member Orientation - Invitation Only

08:30 AM - 11:00 AM EST

The New Member Orientation Sessions are held on the Saturday following the General Membership Meetings or the first Saturday of the month. Exceptions to this are when holidays fall within that week.

All prospective new members should arrive early to ensure there is time enough for photographs for your badge. Photo ID is also required.

These sessions begin at 9:00 am and include a tour of the ranges. Participants should plan accordingly for the various weather conditions and temperatures. All sessions include the special safety training for the Steel Range no matter if you have chosen to pay for it's use. The session ending times may vary slightly due to questions and audience participants but generally by 10:30/10:45am. All sessions are conducted by RSO (Range Safety Officers).

Depending on the class size, your badge may need to be mailed to you. Every effort will be made to get it completed by the end of your session however we cannot guarantee this.

May 10, 2026

Trap and Skeet - Open to the Public

12:00 PM - 03:00 PM EST

New Member Orientation - Invitation Only

08:30 AM - 11:00 AM EST

The New Member Orientation Sessions are held on the Saturday following the General Membership Meetings or the first Saturday of the month. Exceptions to this are when holidays fall within that week.

All prospective new members should arrive early to ensure there is time enough for photographs for your badge. Photo ID is also required.

These sessions begin at 9:00 am and include a tour of the ranges. Participants should plan accordingly for the various weather conditions and temperatures. All sessions include the special safety training for the Steel Range no matter if you have chosen to pay for it's use. The session ending times may vary slightly due to questions and audience participants but generally by 10:30/10:45am. All sessions are conducted by RSO (Range Safety Officers).

Depending on the class size, your badge may need to be mailed to you. Every effort will be made to get it completed by the end of your session however we cannot guarantee this.

22L Rimfire Bench Rest Match

09:15 AM - 12:00 PM EST

chuck bergmann,
candhbergmann@gmail.com

2026 Schedule

April 12 - May 3 - June 7 - July 5 - August 2

September 6 - October 4

9:00 Gate opens

9:15 Sign up

9:45 Read Safety Briefing

9:50 Gate Closed

10:00 First Relay Shoots

Open to the Public

The 50 Yard range will be closed to all other activities and shooter during this Match.

Here is an activity for the whole family. Bring your significant other and spend a nice morning shooting on the 50 yard range. The only thing you need is a rifle with a scope or peep sights. This is also a great activity for a father and son or daughter or grandchild. There is no age limit. Just the ability to safely handle a gun, and a knowledge of safety on the range.

Come out on the first Sunday of the month (April through October) and check it out. If you ask one of the RSO's, they will loan you a rifle to try out. It's always a good day when you can spend it at the range with family. Sign up starts at 9:15 and we shoot from 10 AM till about noon. Note that weather does play a factor on the range, so please check the ECCL web site under Activities – .22 Rimfire before coming to make sure that the event has not been canceled due to weather.

Members

First Relay shoot will cost \$5.00 and each relay after that is \$2.00

Non Members

First relay shoot will cost \$10.00 and each relay after that is \$2.00

If you are a member make sure to wear your BADGE

Sign up starts at 9:15 for members and 9:30 for non members. First Relay starts at 10:00

Richard Johnson Sr, 4197067697
steelchallenge@eriecountycl.org
.22 Rimfire Steel Challenge

Welcome Shooters to the 2026 season!

If you have ever wanted to take your rimfire shooting skills and shoot in a organized scored event than this is for you.

This event is designed to be beginner friendly for shooters of all skill levels. If you are new to shooting or a seasoned competitor or somewhere in between, this event is for you as there is plenty of fun to be had by competitors of all ages and skill levels. It's quite common for entire families to shoot matches together.

This is family-friendly shooting discipline, and is open to the public, club membership is encouraged but not required.

How does it work?

Steel Challenge is all about ringing steel as fast as you can!

When it's your turn to complete the course of fire, you step into the shooting box. A range official will issue a series of commands for you to prepare your firearm. Once you're ready, the timer will beep and you'll shoot the steel plates. Five of the plates can be shot in any order you choose. The last plate, known as the "stop plate," must be shot last. This signifies that you have completed your attempt at the course of fire. The post for the stop plate is usually painted red or some other color so that new competitors can remember which plate to shoot last. If in doubt, just ask the range official. After shooting the plates, your time is recorded on an electronic scoring tablet. You repeat this process four times; each run is known as a string. After the final string is completed, your worst time is thrown out and the total time for your three fastest strings is your time for the stage. The competitor with the lowest total time for all stages is the winner for that match,

(it is interesting to note that because you have four strings at the same targets. you are competing against yourself as well.) We record everyone's scores and send the participants the results by email after the match.

What you need to participate

Steel Challenge Rimfire Rifles and Pistols

In Steel Challenge there is no limitation as to what type of rimfire pistol or rifle you can use. If speed is what you're after then a semi-automatic pistol or rifle will be the best option but there is nothing stopping you from using a lever action or even bolt-action rifle. It is imperative that your bring a good working rifle or pistol. It is best you take it to the range before coming to the course of fire to make sure it is in good working order and the magazines function properly. If you have fewer than 4 magazines you can have a helper load your magazines while you are shooting your second string.

We have four divisions the shooter can compete in

Pistol with Iron sights

Pistol with optic

Rifle with Iron sights

Rifle with optic

You will be shooting from the "low ready position" so no holsters will be permitted. Because you will be shooting 4 times during your turn we recommend having four magazines but it is not necessary. At least 80 rounds of .22 ammunition is recommended. All firearms must be in a case and have a ECI empty chamber indicator. As always eye and hearing protection are required.

On the Day of the event

We will meet at the Club's 50 yard range. Beginning at 9:30 participants will sign up for the event and pay their match fees: \$5.00 for members and \$10.00 for guests. Under 18 shoot free. We will have a safety briefing followed by a match overview prior to beginning the match at 10:00am. Depending on attendance, match usually concludes by 12:00

Highpower Rifle 200/300 yard range closed

200/300 yard range

07:45 AM - 01:00 PM EST

Nate Wolshuck,
nwolsh3150@yahoo.com

ECCL Highpower Rifle matches are held at the 200/300 yard range on the FIRST and LAST Saturday of each month from March through October. These are walk-and-paste style matches, no pits. All matches are OPEN TO THE PUBLIC.

Erie County Conservation League Highpower Rifle program is a fun and welcoming group that meets twice a month to continue refining our skills in CMP-style marksmanship. We mutually support each other in developing our marksmanship and would like to see you come out to give our sport a try. ALL Highpower Matches are OPEN TO THE PUBLIC and we encourage ALL shooters to bring out your AR-15, 1903Springfield, 1903A3, M-1 Garand, M-1A or vintage military rifle. All you need to bring is ear and eye protection, your rifle, and 50 rounds of ammunition. We also have extra equipment that we can make available for novice shooters to come out and learn with us.

Schedule:

0745: Gates Open to Competitors

0800: Presentation of Colors

0815: Match check-in

0830: Target set up

0845: Safety Briefing and Gate will close

0900: Relay 1 will begin firing, depending of conditions

1015: Relay 2 will begin firing, depending on conditions

Cost:

ECCL Members: \$5 per relay

Non-Members: \$10 per relay

Active Duty military, law enforcement, and juniors: FREE

Course of Fire for this event will be:

3 minute preparation period and 5 minute sighting in period will be run as a block time of 8 minutes.

10 Slow Offhand shots in 10 minutes at 200 yards on the SR target.

The 50 Yard range will be closed to all other activities and shooter during this Match.

Here is an activity for the whole family. Bring your significant other and spend a nice morning shooting on the 50 yard range. The only thing you need is a rifle with a scope or peep sights. This is also a great activity for a father and son or daughter or grandchild. There is no age limit. Just the ability to safely handle a gun, and a knowledge of safety on the range.

Come out on the first Sunday of the month (April through October) and check it out. If you ask one of the RSO's, they will loan you a rifle to try out. It's always a good day when you can spend it at the range with family. Sign up starts at 9:15 and we shoot from 10 AM till about noon. Note that weather does play a factor on the range, so please check the ECCL web site under Activities – .22 Rimfire before coming to make sure that the event has not been canceled due to weather.

Members

First Relay shoot will cost \$5.00 and each relay after that is \$2.00

Non Members

First relay shoot will cost \$10.00 and each relay after that is \$2.00

If you are a member make sure to wear your BADGE

Sign up starts at 9:15 for members and 9:30 for non members. First Relay starts at 10:00

New Member Orientation - Invitation Only

08:30 AM - 11:00 AM EST

The New Member Orientation Sessions are held on the Saturday following the General Membership Meetings or the first Saturday of the month. Exceptions to this are when holidays fall within that week.

All prospective new members should arrive early to ensure there is time enough for photographs for your badge. Photo ID is also required.

These sessions begin at 9:00 am and include a tour of the ranges. Participants should plan accordingly for the various weather conditions and temperatures. All sessions include the special safety training for the Steel Range no matter if you have chosen to pay for it's use. The session ending times may vary slightly due to questions and audience participants but generally by 10:30/10:45am. All sessions are conducted by RSO (Range Safety Officers).

Depending on the class size, your badge may need to be mailed to you. Every effort will be made to get it completed by the end of your session however we cannot guarantee this.

steelchallenge@eriecountycl.org
.22 Rimfire Steel Challenge

Welcome Shooters to the 2026 season!

If you have ever wanted to take your rimfire shooting skills and shoot in a organized scored event than this is for you.

This event is designed to be beginner friendly for shooters of all skill levels. If you are new to shooting or a seasoned competitor or somewhere in between, this event is for you as there is plenty of fun to be had by competitors of all ages and skill levels. It's quite common for entire families to shoot matches together.

This is family-friendly shooting discipline, and is open to the public, club membership is encouraged but not required.

How does it work?

Steel Challenge is all about ringing steel as fast as you can!

When it's your turn to complete the course of fire, you step into the shooting box. A range official will issue a series of commands for you to prepare your firearm. Once you're ready, the timer will beep and you'll shoot the steel plates. Five of the plates can be shot in any order you choose. The last plate, known as the "stop plate," must be shot last. This signifies that you have completed your attempt at the course of fire. The post for the stop plate is usually painted red or some other color so that new competitors can remember which plate to shoot last. If in doubt, just ask the range official. After shooting the plates, your time is recorded on an electronic scoring tablet. You repeat this process four times; each run is known as a string. After the final string is completed, your worst time is thrown out and the total time for your three fastest strings is your time for the stage. The competitor with the lowest total time for all stages is the winner for that match,

(it is interesting to note that because you have four strings at the same targets. you are competing against yourself as well.) We record everyone's scores and send the participants the results by email after the match.

What you need to participate

Steel Challenge Rimfire Rifles and Pistols

In Steel Challenge there is no limitation as to what type of rimfire pistol or rifle you can use. If speed is what you're after then a semi-automatic pistol or rifle will be the best option but there is nothing stopping you from using a lever action or even bolt-action rifle. It is imperative that your bring a good working rifle or pistol. It is best you take it to the range before coming to the course of fire to make sure it is in good working order and the magazines function properly. If you have fewer than 4 magazines you can have a helper load your magazines while you are shooting your second string.

We have four divisions the shooter can compete in

Pistol with Iron sights

Pistol with optic

Rifle with Iron sights

Rifle with optic

You will be shooting from the "low ready position" so no holsters will be permitted. Because you will be shooting 4 times during your turn we recommend having four magazines but it is not necessary. At least 80 rounds of .22 ammunition is recommended. All firearms must be in a case and have a ECI empty chamber indicator. As always eye and hearing protection are required.

On the Day of the event

We will meet at the Club's 50 yard range. Beginning at 9:30 participants will sign up for the event and pay their match fees: \$5.00 for members and \$10.00 for guests. Under 18 shoot free. We will have a safety briefing followed by a match overview prior to beginning the match at 10:00am. Depending on attendance, match usually concludes by 12:00

Highpower Rifle 200/300 yard range closed

200/300 yard range

07:45 AM - 01:00 PM EST

Nate Wolshuck,
nwolsh3150@yahoo.com

ECCL Highpower Rifle matches are held at the 200/300 yard range on the FIRST and LAST Saturday of each month from March through October. These are walk-and-paste style matches, no pits. All matches are OPEN TO THE PUBLIC.

Erie County Conservation League Highpower Rifle program is a fun and welcoming group that meets twice a month to continue refining our skills in CMP-style marksmanship. We mutually support each other in developing our marksmanship and would like to see you come out to give our sport a try. ALL Highpower Matches are OPEN TO THE PUBLIC and we encourage ALL shooters to bring out your AR-15, 1903Springfield, 1903A3, M-1 Garand, M-1A or vintage military rifle. All you need to bring is ear and eye protection, your rifle, and 50 rounds of ammunition. We also have extra equipment that we can make available for novice shooters to come out and learn with us.

Schedule:

0745: Gates Open to Competitors

0800: Presentation of Colors

0815: Match check-in

0830: Target set up

0845: Safety Briefing and Gate will close

0900: Relay 1 will begin firing, depending of conditions

1015: Relay 2 will begin firing, depending on conditions

Cost:

ECCL Members: \$5 per relay

Non-Members: \$10 per relay

Active Duty military, law enforcement, and juniors: FREE

Course of Fire for this event will be:

3 minute preparation period and 5 minute sighting in period will be run as a block time of 8 minutes.

10 Slow Offhand shots in 10 minutes at 200 yards on the SR target.

10 Rapid Sitting shots, with a magazine change, in 60 seconds at 200 yards on the SR target.

10 Rapid Prone shots, with a magazine change, in 70 seconds at 200 yards on an SR-42 reduced 300 yard target.

10 Slow Prone shots in 10 minutes at 200 yards on an SR-52 reduced 600 yard target.

August 30, 2026

Long Gong - 200 and 300-Yard Ranges

11:00 AM - 04:00 PM EST

chuck bergmann,
candhbergmann@gmail.com

2026 Schedule

April 12 - May 3 - June 7 - July 5 - August 2

September 6 - October 4

9:00 Gate opens

9:15 Sign up

9:45 Read Safety Briefing

9:50 Gate Closed

10:00 First Relay Shoots

Open to the Public

The 50 Yard range will be closed to all other activities and shooter during this Match.

Here is an activity for the whole family. Bring your significant other and spend a nice morning shooting on the 50 yard range. The only thing you need is a rifle with a scope or peep sights. This is also a great activity for a father and son or daughter or grandchild. There is no age limit. Just the ability to safely handle a gun, and a knowledge of safety on the range.

Come out on the first Sunday of the month (April through October) and check it out. If you ask one of the RSO's, they will loan you a rifle to try out. It's always a good day when you can spend it at the range with family. Sign up starts at 9:15 and we shoot from 10 AM till about noon. Note that weather does play a factor on the range, so please check the ECCL web site under Activities – .22 Rimfire before coming to make sure that the event has not been canceled due to weather.

Members

First Relay shoot will cost \$5.00 and each relay after that is \$2.00

Non Members

First relay shoot will cost \$10.00 and each relay after that is \$2.00

If you are a member make sure to wear your BADGE

Sign up starts at 9:15 for members and 9:30 for non members. First Relay starts at 10:00

The 50 Yard range will be closed to all other activities and shooter during this Match.

Here is an activity for the whole family. Bring your significant other and spend a nice morning shooting on the 50 yard range. The only thing you need is a rifle with a scope or peep sights. This is also a great activity for a father and son or daughter or grandchild. There is no age limit. Just the ability to safely handle a gun, and a knowledge of safety on the range.

Come out on the first Sunday of the month (April through October) and check it out. If you ask one of the RSO's, they will loan you a rifle to try out. It's always a good day when you can spend it at the range with family. Sign up starts at 9:15 and we shoot from 10 AM till about noon. Note that weather does play a factor on the range, so please check the ECCL web site under Activities – .22 Rimfire before coming to make sure that the event has not been canceled due to weather.

Members

First Relay shoot will cost \$5.00 and each relay after that is \$2.00

Non Members

First relay shoot will cost \$10.00 and each relay after that is \$2.00

If you are a member make sure to wear your BADGE

Sign up starts at 9:15 for members and 9:30 for non members. First Relay starts at 10:00

.22 Rimfire Steel Challenge

Welcome Shooters to the 2026 season!

If you have ever wanted to take your rimfire shooting skills and shoot in a organized scored event than this is for you.

This event is designed to be beginner friendly for shooters of all skill levels. If you are new to shooting or a seasoned competitor or somewhere in between, this event is for you as there is plenty of fun to be had by competitors of all ages and skill levels. It's quite common for entire families to shoot matches together.

This is family-friendly shooting discipline, and is open to the public, club membership is encouraged but not required.

How does it work?

Steel Challenge is all about ringing steel as fast as you can!

When it's your turn to complete the course of fire, you step into the shooting box. A range official will issue a series of commands for you to prepare your firearm. Once you're ready, the timer will beep and you'll shoot the steel plates. Five of the plates can be shot in any order you choose. The last plate, known as the "stop plate," must be shot last. This signifies that you have completed your attempt at the course of fire. The post for the stop plate is usually painted red or some other color so that new competitors can remember which plate to shoot last. If in doubt, just ask the range official. After shooting the plates, your time is recorded on an electronic scoring tablet. You repeat this process four times; each run is known as a string. After the final string is completed, your worst time is thrown out and the total time for your three fastest strings is your time for the stage. The competitor with the lowest total time for all stages is the winner for that match,

(it is interesting to note that because you have four strings at the same targets. you are competing against yourself as well.) We record everyone's scores and send the participants the results by email after the match.

What you need to participate

Steel Challenge Rimfire Rifles and Pistols

In Steel Challenge there is no limitation as to what type of rimfire pistol or rifle you can use. If speed is what you're after then a semi-automatic pistol or rifle will be the best option but there is nothing stopping you from using a lever action or even bolt-action rifle. It is imperative that your bring a good working rifle or pistol. It is best you take it to the range before coming to the course of fire to make sure it is in good working order and the magazines function properly. If you have fewer than 4 magazines you can have a helper load your magazines while you are shooting your second string.

We have four divisions the shooter can compete in

Pistol with Iron sights

Pistol with optic

Rifle with Iron sights

Rifle with optic

You will be shooting from the "low ready position" so no holsters will be permitted. Because you will be shooting 4 times during your turn we recommend having four magazines but it is not necessary. At least 80 rounds of .22 ammunition is recommended. All firearms must be in a case and have a ECI empty chamber indicator. As always eye and hearing protection are required.

On the Day of the event

We will meet at the Club's 50 yard range. Beginning at 9:30 participants will sign up for the event and pay their match fees: \$5.00 for members and \$10.00 for guests. Under 18 shoot free. We will have a safety briefing followed by a match overview prior to beginning the match at 10:00am. Depending on attendance, match usually concludes by 12:00

Highpower Rifle 200/300 yard range closed

200/300 yard range

07:45 AM - 01:00 PM EST

Nate Wolshuck,
nwolsh3150@yahoo.com

ECCL Highpower Rifle matches are held at the 200/300 yard range on the FIRST and LAST Saturday of each month from March through October. These are walk-and-paste style matches, no pits. All matches are OPEN TO THE PUBLIC.

Erie County Conservation League Highpower Rifle program is a fun and welcoming group that meets twice a month to continue refining our skills in CMP-style marksmanship. We mutually support each other in developing our marksmanship and would like to see you come out to give our sport a try. ALL Highpower Matches are OPEN TO THE PUBLIC and we encourage ALL shooters to bring out your AR-15, 1903Springfield, 1903A3, M-1 Garand, M-1A or vintage military rifle. All you need to bring is ear and eye protection, your rifle, and 50 rounds of ammunition. We also have extra equipment that we can make available for novice shooters to come out and learn with us.

Schedule:

0745: Gates Open to Competitors

0800: Presentation of Colors

0815: Match check-in

0830: Target set up

0845: Safety Briefing and Gate will close

0900: Relay 1 will begin firing, depending of conditions

1015: Relay 2 will begin firing, depending on conditions

Cost:

ECCL Members: \$5 per relay

Non-Members: \$10 per relay

Active Duty military, law enforcement, and juniors: FREE

Course of Fire for this event will be:

3 minute preparation period and 5 minute sighting in period will be run as a block time of 8 minutes.

10 Slow Offhand shots in 10 minutes at 200 yards on the SR target.

10 Rapid Sitting shots, with a magazine change, in 60 seconds at 200 yards on the SR target.

10 Rapid Prone shots, with a magazine change, in 70 seconds at 200 yards on an SR-42 reduced 300 yard target.

10 Slow Prone shots in 10 minutes at 200 yards on an SR-52 reduced 600 yard target.
